To the Bishops & Sister Churches,

Greetings,

We express the desire to proceed to the canonization of Monseigneur Constant Chevillon, bishop, patriarch of Église Gnostique Universelle & martyr.

Therefore, on 25<sup>th</sup> March 2014, seventieth anniversary of his martyrdom, we will proceed, in the proper canonical forms, to the official canonization; an act that we intend to set free of any dispute & filled with the spirit of concord as a recognition for this Father of many lineages, this pilgrim of the Spirit, this defender of peace, this relentless fighter of Love & Faith.

The 25<sup>th</sup> March, will therefore become the symbol & the living memory of the struggle that every Christian, Gnostic or Orthodox, should stand against exclusion, hatred & violence.

We call every Church who feel in communion and who wish to associate to this act of Holiness to contact any of the participating churches.
